White cardstock
1/8" hole punch

Instructions:

1. Follow instructions that come with template to make a bag-a-mite from each of the patterned papers, skipping the step of folding down the top cuff. Instead of folding down the top cuff, use a round object to trace and cut out a half circle along each edge to create a random scallop pattern as shown.
2. Continue forming the bag and add a coordinating sticker to the front. Insert cello bag, fill with candy and tie with a piece of trim.
3. Place Halloween slide mount stickers on a scrap piece of white cardstock and trim. Punch a small hole in the top and attach with trim.
